Please read this agreement prior to viewing the Decision:

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the
 Department of Regulation and Licensing data base. Because this data base changes
 constantly, the Department is not responsible for subsequent entries that update, correct or
 delete data. The Department is not responsible for notifying prior requesters of updates,
 modifications, corrections or deletions. All users have the responsibility to determine whether
 information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.
- Reported decisions may have an appeal pending, and discipline may be stayed during the
 appeal. Information about the current status of a credential issued by the Department of
 Regulation and Licensing is shown on the Department's Web Site under "License Lookup."
 The status of an appeal may be found on court access websites at:
